

News of the end of 2008

Dear colleagues!

2008 comes to the end. We congratulate you on coming nearer 2009 New year! We wish you all most the best.

In the end of current year we created extensive plans of researches. So we suggest to join all interested persons to us.

We have distributed all new material of our web site, basically, between methodical and educational pages (while it is materials only in Russian) where next articles and reference data about publications of last time are presented.
